

Taylor Brown

Software Developer

Born 1995 in Los Angeles

About

Hi, I'm Taylor Brown — a curious, detail-oriented person who enjoys finding patterns in everyday things and turning them into useful insights. I'm always excited to learn, build, and contribute something meaningful.

Skilled in Adobe Photoshop and Illustrator, with experience in digital design and visual communication.

Skills

HTML5	CSS3	JavaScript
Node.js	Angular 2	TypeScript
ES.Next	Docker
